Our Focus

ContractsForWomen.com is an Advocacy and professional service corporation founded in 2004 with a primary focus of helping women owned businesses increase economic business growth through the procurement of government and corporate contract opportunities.

Meet the Buyers Yearly Conference

A yearly event affording women business owners an opportunity to meet buyers and purchasers of goods and services and begin building relationships that are meaningful to the success of securing contract opportunities with government and corporate entities for their business.

For just \$25.00 per year members receive:
